

WILLIAM H. ATTEBURY

STAT

3-1-77

Dear Stan,

Congratulations!

I will have to say I don't envy you but I'm very glad for our country.

Being a great deal more conservative than Pres. Carter I'm afraid I didn't support him but if you are any indication of the rest of his appointments then he will have a top notch team.

Say hello to your family -
Come see us -

Bill
